Sub.- Request letter for permission to an Educational Tour

Respected Sir,

We are writing this letter to inform you about an upcoming educational tour that we, on behalf of **GGDC, Lalgarh**, are planning for our **1<sup>st</sup> sem** students as a part of the **VAC** curriculum.

The tour is scheduled to take place on **05.01.2024** and the destination is **Mukutmanipur**, Bankura. We believe this trip will provide our students with a valuable opportunity to broaden their horizons and gain practical insights into their field of study. The proposed tour will comprise **79 students** which will be supervised by **six teachers**. One bus and four cars have been arranged for this. We have also ensured that all necessary safety measures and precautions will be in place for the duration of the trip.

However, before we proceed further with the arrangements, we require your approval. We would appreciate if you could review this proposal and provide your valuable feedback and consent at the earliest convenience. Total list of students is enclosed with this letter.

Thanking you for your time and considerations.

Yours faithfully,

Respected Sir,

The undersigned is inform you that some of the students of our Govt. General Degree College at Lalgarh (=Lalgarh Govt. College, Lalgarh), Lalgarh, Jhargram is going to collect data on Biodiversity (Flora, Fauna and Environment including Coastal ecosystem) at the above mentioned sites under your Forest Jurisdiction. The study is compulsory for all students though some of our students are going to conduct survey supervised by two fellow teachers under the Project Coordinator, Dr. Debabrata Das, Associate Prof. & Head, Department of Botany, Lalgarh Govt. College. More or less twenty 1<sup>st</sup> semester students are going to participate in the Programme along with two 3<sup>rd</sup> semester students from our College to work in the field study programme on 22/02/2024 from 11:00 a.m. onwards.

Kindly allow them to study there and help them to collect some area specific data including management of coastal forest that your officers adopted to manage the ecosystem better in a sustainable way. Sir, if possible deploy one officer to help us in a time bound period. We will provide you a summary report for the same after study.

Hoping your necessary help and assistance in this regard to complete the program a grand success.

Thanking You.
