Summary Report

Event: Career Counseling on Higher Education and Government Jobs

Date: January 6, 2024

Venue: Hall Room, Government General Degree College, Lalgarh

Time: 11:00 A.M. - 1:00 P.M.

Speaker: Nowser Rowa Sk (Assistant Professor in History, Government General Degree College, Lalgarh)

Number of Attendees: 50+ students

Introduction

On January 6, 2024, the Government General Degree College in Lalgarh hosted a Career Counseling session focused on higher education and government job opportunities. The event aimed to guide students in making informed career choices and to inspire them regarding educational pathways and public service careers.

Event Overview

The session was conducted in the Hall Room of the college, attracting over 50 enthusiastic students. The program featured a presentation by Nowser Rowa Sk, a well-respected figure in the field, who provided valuable insights into higher education options and the various pathways to securing government jobs.

Key Highlights

1. Opening Remarks

- The event commenced with a brief introduction, welcoming attendees and outlining the importance of higher education and government careers in today's job market.

2. Presentation by Nowser Rowa Sk

- The speaker discussed:
 - The significance of pursuing higher education and its impact on career advancement.
 - Various educational programs available, including degrees, diplomas, and certifications.
 - Detailed insights into government job roles, including eligibility criteria, selection processes, and career stability.
 - The advantages of working in the public sector, including job security, benefits, and opportunities for social impact.

Engagement and Interaction

- Students actively participated, asking questions about specific courses, preparation for government exams, and skills development.
- The speaker provided practical advice on how to build a strong resume and prepare for interviews, emphasizing the importance of soft skills.

4. Networking Opportunity

- Following the presentation, students had the chance to network with the speaker and each other, fostering connections that could aid in their future career pursuits.

Outcomes

The session successfully inspired and encouraged students regarding the importance of education and pursuing careers in government. Feedback collected from attendees indicated a strong interest in similar events in the future, highlighting a desire for ongoing support and guidance in their career journeys.

Conclusion

The Career Counseling event on higher education and government jobs was a significant success, with over 50 students attending and expressing a desire for more sessions. The insights shared by Nowser Rowa Sk have equipped students with the knowledge and motivation needed to navigate their educational and career paths effectively.

Future events of this nature will further enhance student awareness and preparation for the challenges of the job market, especially in government roles.

Report

Name of the event: An Orientation to Career and Personality Development

Date: January 4, 2023

Time: 6:00 PM

Platform: Google Meet

Organized by: Department of History, Government General Degree College Lalgarh

Chief Speaker: Saddam Hossain Mondal

Participants: Over 70 students

Duration: Approximately 2 hours

Introduction

On April 1, 2023, the Department of History at Government General Degree College Lalgarh successfully conducted a webinar titled "An Orientation to Career and Personality Development." The session aimed to equip students with valuable insights into various career paths, job-oriented courses, and training opportunities, fostering their personal and professional growth.

Agenda

The webinar featured an engaging presentation by the chief speaker, Saddam Hossain Mondal, who is known for his expertise in career counseling. The agenda included:

- Introduction to career options in various fields
- Overview of job-oriented courses
- Insights into different training centers
- Tips for personal development and soft skills enhancement

Participation

The webinar attracted over 70 enthusiastic participants, primarily students from various disciplines, reflecting a keen interest in understanding career opportunities and personality development strategies.

Content Overview

During the session, Mr. Mondal emphasized the importance of aligning personal interests and strengths with career choices. He presented a comprehensive overview of job-oriented courses available in the market, detailing the skills required for different professions. Additionally, he highlighted several reputable training centers that offer specialized courses tailored to enhance employability.

The interactive format of the webinar allowed students to engage directly with the speaker, asking questions and seeking advice on specific career paths. This participatory approach enriched the learning experience and encouraged students to think critically about their future.

Outcomes

The outcomes of the webinar were overwhelmingly positive:

- Students gained a clearer understanding of various career options and the qualifications needed to pursue them.

- Many expressed a desire to explore further job-oriented courses and training opportunities.
- Feedback indicated a strong interest in attending similar webinars in the future, highlighting the need for ongoing career guidance and support.

Conclusion

The webinar on "An Orientation to Career and Personality Development" successfully met its objectives, providing valuable knowledge and resources to students. The Department of History at Government General Degree College Lalgah is committed to organizing more such sessions to continue supporting students in their career journeys and personal development.

Recommendations

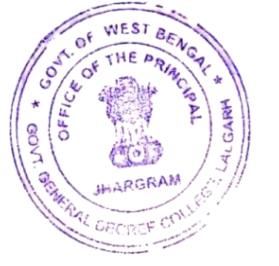

Based on the feedback received, it is recommended that the department:

1. Organize follow-up webinars focusing on specific industries or career paths.
2. Collaborate with local training centers for workshops or hands-on training sessions.
3. Provide additional resources and reading materials for students interested in career development.

Overall, the event was a significant step towards empowering students and enhancing their career prospects.

GOVERNMENT OF WEST BENGAL

Brief Report

Event Name: Seminar on Integrated Farming System

Date: April 27, 2023

Time: 11:00 A.M.

Organized by: Government General Degree College, Lalgarh

Chief Speaker: Dr. Tapan Das

Participants: Over 40 students

Duration: 1 hour 30 minutes

Introduction

On April 27, 2023, a seminar on the Integrated Farming System was, organized by the Government General Degree College in Lalgarh. The event aimed to educate students about various aspects of integrated farming, including job opportunities, biodiversity, sustainable development, and the effective use of natural resources.

Seminar Highlights

The seminar commenced with an introduction by the organizers, followed by a detailed presentation by the chief speaker, Dr. Tapan Das. Dr. Das, an expert in sustainable agriculture, engaged the students with insightful discussions on the following key topics:

1. **Job Opportunities:** Dr. Das elaborated on the diverse career paths available in integrated farming, emphasizing the growing demand for professionals in this field.
2. **Biodiversity and Sustainable Development:** He highlighted the importance of biodiversity in farming systems and its role in promoting sustainable development. This section underscored the significance of preserving ecosystems while maximizing agricultural productivity.
3. **Use of Natural Resources:** The speaker discussed effective strategies for utilizing natural resources sustainably, focusing on water management, soil health, and crop rotation.
4. **Health and Hygiene:** Dr. Das stressed the connection between integrated farming practices and health, advocating for hygiene standards that protect both consumers and producers.

Participation and Engagement

With over 40 students participating, the seminar fostered an interactive environment. Students actively engaged in discussions, posing questions that demonstrated their interest in the subject matter. The session concluded with a Q&A segment, where Dr. Das addressed various queries related to integrate farming practices and their implications for future job prospects.

Outcome

The seminar successfully achieved its objectives, as evidenced by the participants' feedback. Students reported gaining valuable insights into the various dimensions of integrated farming, including potential career opportunities and the importance of sustainability. Many expressed a desire to attend similar webinars in the future, indicating a strong interest in furthering their knowledge on related topics.

Conclusion

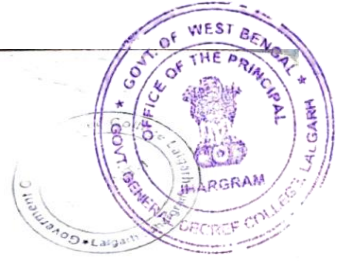

The seminar on Integrated Farming System was a significant educational experience for the students of Government General Degree College, Lalgarh. It not only provided essential information on sustainable agricultural practices but also inspired students to explore career

avenues in this vital field. The college plans to organize more such events to continue promoting awareness and education on integrated farming systems.

Report

Event Name: Training and Interactive Programme for Various Government Jobs

Date: 27th April 2023

Time: 1:00 PM

Organized by: Government General Degree College, Lalgarh

Chief Speaker: Authorities of Staff Selection Commission, Eastern India

Number of Participants: Over 40 Students

Duration: 1 hour and 30 minutes

Introduction

On 27th April 2023, the Government General Degree College, Lalgarh, successfully organized a Training and Interactive Programme focused on various government job opportunities. The event aimed to provide students with essential information regarding eligibility criteria, application processes, and the types of jobs available in the government sector.

Overview of the Event

The programme commenced at 1:00 PM with an introduction by the organizing committee, followed by a welcome address highlighting the importance of understanding government job opportunities. The Chief Speaker from the Staff Selection Commission, Eastern India, shared valuable insights and engaging content tailored for aspiring candidates.

Key Highlights

1. Job Types and Roles:

The session detailed various types of government jobs available in different sectors, helping students to identify potential career paths.

2. Eligibility Criteria:

Participants learned about the eligibility requirements for various positions, including educational qualifications, age limits, and necessary certifications.

3. Recruitment Process:

The Chief Speaker elaborated on the recruitment process, emphasizing the timeline for advertisements, application procedures, and selection methods.

4. Interactive Q & A Session:

Following the presentation, an interactive Q&A session allowed students to engage directly with the speaker. This encouraged participants to ask specific questions and gain clarity on their doubts.

Outcome

The training session concluded with a positive response from the participants. Over 40 students expressed their satisfaction with the information provided, highlighting the practical knowledge gained regarding government jobs. Many attendees voiced a desire for future webinars on similar topics, indicating a strong interest in further training opportunities.

Conclusion

The Training and Interactive Programme for Various Government Jobs was a significant step in equipping students with the necessary information to navigate the competitive landscape of government recruitment. The collaboration with the Staff Selection Commission was

invaluable, and the college looks forward to organizing more such events in the future to continue supporting student career development.

This report encapsulates the essence and impact of the event, underscoring its success and the enthusiasm of participants for future initiatives.

Report

Event Name: Webinar on Career Counseling and Personality Development

Date: January 5, 2022

Time: 11:00 A.M.

Platform: Google Meet

Organized By: Government General Degree College, Lalgarh

Chief Speaker: Saddam Hossain Mondal

Number of Participants: Over 377 students

Duration: 1 hour 30 minutes

Introduction

On January 5, 2022, Government General Degree College, Lalgarh, successfully hosted a webinar focused on Career Counseling and Personality Development. This event aimed to guide students in understanding various career opportunities, job-oriented courses, and the importance of personal development in achieving career goals.

Agenda and Activities

The session commenced with an introduction to the significance of career counseling in today's competitive job market. Chief Speaker Saddam Hossain Mondal delivered an engaging presentation that covered:

- **Job-Oriented Courses:** An overview of various courses that enhance employability and align with industry demands.
- **Career Opportunities:** Insight into diverse career paths available to students, emphasizing emerging fields and sectors.
- **Training Centers:** Information on local and online training centers that provide valuable skills and certifications.
- **Personality Development:** Techniques and strategies for personal growth, including communication skills, leadership, and time management.

Interactive segments allowed students to ask questions and share their career aspirations, fostering a collaborative learning environment.

Outcomes

The webinar attracted over 377 participants, reflecting a strong interest among students for guidance in career planning. Key outcomes included:

- **Enhanced Awareness:** Students gained valuable insights into various job-oriented courses and the corresponding career paths.
- **Interest in Further Learning:** Many participants expressed a desire to attend similar webinars in the future, indicating a demand for continued career counseling.
- **Networking Opportunities:** The event facilitated connections between students and the speaker, promoting further discussions about personal development and career planning.

Conclusion

The Career Counseling and Personality Development webinar was a significant success, effectively meeting its objectives of informing and inspiring students. The positive feedback

received suggests that such initiatives are crucial for student development. The Government General Degree College, Lalgarh, plans to organize more webinars and workshops in the future to continue supporting students in their career journeys.

Recommendations for Future Events:

1. **Follow-Up Sessions:** Consider organizing follow-up sessions focusing on specific career paths or skills.
2. **Guest Speakers:** Invite industry professionals to share real-world experiences and insights.
3. **Interactive Workshops:** Incorporate hands-on workshops that provide practical skills alongside theoretical knowledge.

This event highlighted the importance of career guidance and the continuous need for support in student development, ensuring they are well-prepared for the future job market.
